

Dear Colleagues!

We invite you to take part in the VIII International Scientific and Practical Conference "Continuing Education of Specialists in Modern Conditions: New Design", which will be held on November 11, 2021 at Moscow Oblast State Budgetary Educational Institution of Higher Education "Academy of Public Administration" (hereinafter - ASOU).

The purpose of the conference is to attract the attention of scientists and practitioners of the regions of the Russian Federation and foreign colleagues, heads of educational organizations, heads of methodological services and educators to discussing the urgent problem of the development of additional professional education (hereinafter referred to as APE) in the context of digital transformation of educational systems; to discussing fundamental and applied research within the framework of the issue, as well as to the generalization and dissemination of the experience of innovative practices in the field of digital transformation of continuing education.

The conference is held in face-to-face and remote formats: plenary session, thematic tracks, discussion sessions and round tables.

The **plenary session** will be attended by leading Russian and foreign experts in the field of education development, holders of modern knowledge on fundamental and applied problems of the digital transformation of continuing education.

The conference is seeking submissions related to the following conference topics:

1. Lifelong learning as a way of life in the modern era
2. Formation of digital competence of a teacher in the system of professional development
3. New models of continuing teacher education in the digital environment
4. Individual deficiencies of a teacher and professional development programs: study and prospects
5. Development of digital infrastructure for additional education: tools, services, content
6. Maintenance of administrative personnel in the context of the digital transformation of education

Conference attendees can choose between face-to-face and virtual participation.

Working languages of the conference: Russian, English.

A poster session will be held within the framework of the conference on 10.11.2021-17.11.2021 (discussion of the reports posted on the conference website).

All accepted papers will be published in "Conferentsium ASOU" (RSCI). Author guidelines are available on ASOU official website in the "Science" section: <https://asou-mo.ru/trebovaniia-k-publikatsiiam#blocks=13>.

Participation in the conference (including report placement within the poster session and publication of the materials in "Conferentsium ASOU ") is free.

Report presentations and reports for participation in the poster session are accepted until 01.11.2021 at: otdel_knr@asou-mo.ru.

Registration for the conference is carried out until 08.11.2020 at: <https://forms.gle/K3gVY4VSMCj67hDa7>.

Materials for publication in "Conferentsium ASOU" are accepted until 10.11.2021 at: otdel_knr@asou-mo.ru.

Contact details of the conference organizing committee: Moshnina Rauza Shamilevna, head of the department of general educational disciplines; e-mail: fgos@asou-mo.ru; Stepanova Olga Alekseevna, head of the department for coordination of scientific research activities of the ASOU; e-mail: otdel_knr@asou-mo.ru.

Rector of ASOU
